

April 30, 2017

Hello Parents and Guardians of Herndon Magnet School 3rd and 4th Grade Students. This is Tom Thomas, Principal of Herndon Magnet School, with important reminders about State Testing May 1st through May 5th:

Last week your child should have brought a detailed letter home about this week's standardized tests in ELA, math, social studies, and science. The schedule for testing is:

Monday, May 1	ELA Session 1 and Math Session 1
Tuesday, May 2	ELA Session 2 and Math Session 2
Wednesday, May 3	ELA Session 3 and Math Session 3
Thursday, May 4	Social Studies Sessions 1, 2, & 3
Friday, May 5	Science Sessions 1, 2, & 3

It is vital that your child be at school each day and on time. Please send your child to school without their backpack, cell phones, and smart watches.

The following are actions that will help your child be successful with state testing:

- Make sure your child gets a good night's rest.
- Have your child eat a healthy breakfast at home or in the cafeteria at school.
- Make sure your child arrives at school on time.
- Encourage your child to do their best.

We greatly appreciate all that our parents and families do for our students and teachers each and every day and believe your continued support will make this week of LEAP testing successful for all.

A transcript of this call can be found at www.herndonmagnetschool.com. Thank you and have a wonderful evening! ID #: 183588
