

4.09.2018

Hello Parents and Guardians of Herndon Magnet School Students, this is Tom Thomas, Principal of Herndon Magnet School, with information about testing, spring pictures, and field day:

Information about LEAP 2025 testing was sent home with 3rd and 4th graders today. You can also find the letter that was sent home in February on the Herndon website (www.herndonmagnetschool.com) under “Useful Links” by clicking on “Testing Information.” Also, there is a survey link on the website for 3rd-7th graders about such things as Hawk Bucks and rewards students would like to receive for doing well on the LEAP test.

Spring Pictures information, with the back drop for the pictures, is on the Herndon website.

Field Day is going to start at 8:15 AM instead of 8:30 AM. We have a “Plan B” in case of bad weather. We will move the races in to the gym and the inflatables in to the auditorium. We will have a rotation schedule for the races and inflatables. We hope that we can get all activities completed outside, but if the weather causes us to move indoors, please be flexible, patient, and understanding.

A transcript of this call can be found at www.herndonmagnetschool.com. Thank you and have a wonderful evening! ID #: 213310
