

08.12.2018

Hello Parents and Guardians of Herndon Magnet School Students, this is Tom Thomas, Principal of Herndon Magnet School, with Herndon Highlights for the week of August 13th:

Welcome to the 35th Anniversary Year of Herndon Magnet School. We are all very excited about this new school year!

Thank you for making the Orientations/Back to School Nights a success! We truly believe these will help the students make a smoother transition into the new school year.

Speaking of the new school year, it starts tomorrow, Monday, August 14th, at 7:50 am.

Bus drivers will be in the cafeteria from 7:45 AM till 8:30 AM tomorrow to meet you and assist you with stop times and paperwork. They will be back on Friday, August 17th for Herndon's kindergarten parents and guardians.

If you can start your 1st through 8th grade child or children doing their normal afternoon transportation tomorrow, this will help them, and it will help the faculty/staff, make dismissal routines run more effective and efficient. Kindergarten parents, we are asking that you start your kindergartener with their normal afternoon transportation routine on Friday, August 17th, their first full day of school.

Please be patient with the traffic and with us the first two weeks of school. We want to make sure every student is on the right bus and that the car line drop off and pick up runs smoothly.

If any middle school students have their Herndon Student ID from last year, we are requesting that they wear it. This will help middle school lunch run faster until every middle school student has been issued a new ID.

We are excited about the 2018-2019 school year! The HMS Faculty & Staff welcome the opportunity to serve and support each student as we strive to make the Herndon Motto, "Where Excellence is our Minimum Standard" a reality for every member of the Herndon community and family.

Help us "Keep Excellence Alive in 35!"

A transcript of this call can be found at www.herndonmagnetschool.com. Thank you and have a wonderful evening! ID #: 221794
