Hello Parents and Guardians of Herndon Magnet School Students, this is Tom Thomas, Principal of Herndon Magnet School, with Herndon Highlights for the week of August 14th:

Thank you for making the middle school Open House Thursday, August 10th, and the elementary Open House today a success! We truly believe the Open Houses help the students make a smoother transition into the new school year.

Speaking of the new school year, it starts tomorrow, Monday, August 14th, at 7:50 am.

If you can start your 1st through 8th grade child or children doing their normal afternoon transportation tomorrow, this will help them, and the faculty/staff, make dismissal routines run more effective and efficient. Kindergarten parents, we are asking that you start your kindergartener with their normal afternoon transportation routine on Friday, August 18th, their first full day of school.

We are excited about the 2017-2018 school year! The HMS Faculty & Staff welcome the opportunity to serve and support each student as we strive to make the Herndon Motto, “Where Excellence is our Minimum Standard”, a reality for every member of the Herndon community and family.
