

08.06.2018

Hello Parents and Guardians of Herndon Magnet School Students, this is Tom Thomas, Principal of Herndon Magnet School, with a few reminders for Elementary:

I wanted to remind you that we will have Elementary Meet the Teacher/Back to School Night on Thursday, August 9th. Grades K-2 will start at 6:00 PM and Grades 3-5 at 7:00 PM. Parents will start in the auditorium for a brief meeting and then move to your child's homeroom. You may bring all supplies for your student this night. However, kindergarten parents will bring your child's supplies on the day they come and test.

If your student will be riding a different bus in the afternoon than their morning bus, we need you to fill out the "Parental Agreement for Transportation to Alternate Existing Locations" form that can be found on the Herndon Magnet website under the "School News" tab. If possible, we need this form Thursday Night. You may fill out one in the office as well.

Bus drivers will be at Herndon Monday, August 13th from 7:45 – 8:30 AM and again for kindergarten parents on Friday, August 17th from 7:45 – 8:30 AM.

Students entering 5th grade are required to read the book, I Survived True Stories: 5 Epic Disasters by Lauren Tarshis. You will probably hear more information about this Thursday night.

A transcript of this call can be found at www.herndonmagnetschool.com. Thank you and have a wonderful evening! ID #: 221164
