Hello Parents and Guardians of Herndon Magnet School 3rd, 4th, and 8th grade students that are participating in after school tutoring and test prep on Tuesdays and Thursdays, this is Tom Thomas, Principal of Herndon Magnet School.

This call is a reminder that students must be picked up by 4:45 pm. Starting tomorrow, students that are picked up after 4:45 pm will be dismissed from the program following the second time it occurs. Students that continually misbehave will be dismissed as well. I am also asking that 3rd and 8th grade parents pick your child up in front of the school, and 4th grade parents to pick your child up at the turn around where car riders are picked up at afternoon dismissal.

Thanks for your assistance with this matter. Your students are doing great!
