Hello Parents and Guardians of Herndon Magnet School Students, this is Tom Thomas, Principal of Herndon Magnet School, with a reminder about our school wide World's Finest Spring Continental Collection sale.

The sale started last week and was to end Friday, March 17th. However, we have extended it until Monday, March 20th. Money collected will be placed in our Program Enhancement Fund and will be used to further promote and fund existing and new programs at our school. In the past these funds have helped purchase Smart Boards, document cameras, projectors and other classroom materials. If you need more information or additional order forms, please contact Mrs. Tracy Sparaco in the office.

Thank you so much for all that you do for our school. We appreciate your time, effort and cooperation.
