

09.07.2017

Hello Parents and Guardians of Herndon Magnet School Students, this is Tom Thomas, Principal of Herndon Magnet School, with an opportunity to help schools in the Houston area:

In response to the disaster that was Hurricane Harvey, we are doing a school supplies drive to support some of the schools in the Houston area. Beginning on Monday September 11th, students may bring school supplies to add to the donations that will be kept in the auditorium.

We are collecting items such as:

Traditional school supplies like you would buy for your elementary child at the beginning of the year, children's books for all ages, gently used lunch boxes and backpacks, craft supplies, and any other items that students and teachers use in the classroom.

All supplies need to be brought in NO LATER than September 15th. All donations will be picked up by lunch on Friday September 15th, to be taken to Houston.

Thank you so much for always putting education first and being willing to help out those in need.

A transcript of this call can be found at www.herndonmagnetschool.com. Thank you and have a wonderful evening! ID #: 192862
