

Hello Parents! My name is Kellie Carlisle and I am the Elementary counselor at Herndon Magnet School. I attended Louisiana Tech University where I graduated with a Bachelor of Arts in Elementary Education and a Master of Arts in Counseling. I began my career as a sixth grade teacher at Phillips Sixth Grade Center in Webster Parish and a few years later transferred to Central Elementary in Shreveport. I began my career as a professional school counselor at Rusheon Middle School in Bossier in 1999. The next year, I started teaching second grade at Herndon Magnet School, and now am the Elementary counselor. I am married to Neil Carlisle and we have two children, Lola and Jack, that both attend Herndon.

If you need assistance with scheduling a conference, or have any questions about your child's education, my direct line is 364-1463.
