

It is my privilege and such a distinct pleasure to have the honor to serve the students, Faculty & Staff at Herndon Magnet School. I have been a Professional School Counselor since 2006 and joined the "Hawk" family in February of 2014. I completed my undergraduate studies at University of Louisiana at Monroe in December 2000 where I received my B.A. in Social Work with a minor in Sociology, along with my certification as a Registered Social Worker (RSW). I received my M.A. in Industrial Organizational Psychology in 2002, Guidance & Counseling 2005 and General Counseling as well as my Masters plus 30 from Louisiana Tech University in 2006.

The love of my life of over 13 years Phillip Ross and I are the proud parents of our beautiful daughter Payton Ross, who is now 12 years old and completing her 7th grade year in the Magnet Program at Keithville Middle School. My greatest joy is being a mom and serving the students and staff at the best school and "Best kept secret" in Caddo Parish, Herndon Magnet School. Some of my hobbies are reading, cooking, and traveling with my family.

Kioki S. Ross, B.A, M.A., RSW

Professional School Counselor
